Mounting of the product and connection to the grid must be carried out exclusively by qualified personnel. The product requires regular maintenance in accordance with the service information included on delivery. We recommend that maintenance of the product be carried out by appropriately trained experts. We accept no liability for damage of any kind not covered by the General Terms and Conditions; particularly for damage caused by vandalism, lightning/overvoltage, nor for consequential costs for automobiles / vehicles nor according to technical connection regulations. In the event of a warranty claim, the company Schletter GmbH shall bear the costs required for transport, travel, labour and materials only; excluded are the additional and potentially substantial costs incurred for transfer of the object to a location other than the target site. In the event of a warranty claim, the product must be returned to the company Schletter GmbH for fault diagnosis and supplementary performance if required. The General Terms and Conditions of Sale and Supply of Schletter GmbH (AGB) shall apply here. These can be referenced on the internet under <http://www.schletter.de/588-0-AGB.html>. Clause 10 of the AGB is not applicable in this case.
